

Job Applicant Privacy Policy

OVERVIEW

Gallo Glass Company (“Gallo”, “we”, “our” or “us” or the “Company”) respects individual privacy and takes the privacy of your Personal Information seriously. Gallo collects, processes and discloses your Personal Information in connection with your application for a working relationship with us in a manner consistent with the laws of the states and countries in which we do business. Gallo uses your Personal Information in a manner that is consistent with the uses described in this Privacy Policy (the “Policy”), which covers the treatment of the Personal Information we receive or maintain about you.

This Policy applies to the Personal Information we receive or maintain regarding all current and former job applicants and potential candidates for employment. It does not apply to our employees, contractors, suppliers, distributors, trade contracts, or customers, or other personal data that Gallo collects for other purposes. As used in this Policy, “personal data” means information that identifies job applicants and potential candidates for employment with us, either submitted as part of the online application or through alternative channels (e.g., via professional recruiting firms).

YOUR CONSENT

By providing us with your personal data, you acknowledge that you have read and understood this Policy and agree to the collection, use, and disclosure of your personal data as described herein. You also agree that we may communicate with you via email, telephone, or other means regarding our website, your use of it, and your interest in employment with us. If you no longer want us to use your contact information to communicate with you for recruitment purposes, let us know by contacting us through your account via our site or by following the instructions in various communications that we may send you.

INFORMATION COLLECTION AND USE

We collect personal data directly from you when you apply for a position or otherwise engage with us through our website, including your name, address, contact information, education and skills, and employment history. We may also collect personal data about you from third parties, such as professional recruiting firms, your references, prior employers, employees with whom you have interviewed, and employment background check providers, to the extent permitted by applicable law. We use your personal data for legitimate human resources and business management reasons, including: identifying and evaluating candidates for potential employment, as well as for future roles that may become available; recordkeeping in relation to recruiting and hiring; ensuring compliance with legal requirements; protecting our legal rights to the extent authorized or permitted by law; or emergency situations where the health or safety of one or more individuals may be endangered. We may also analyze your personal data or aggregated/ pseudonymized data to improve our recruitment and hiring process. We will not collect or use personal data for any purpose other than that indicated in this Policy.

DISCLOSURE OF INFORMATION

Your personal data may be accessed by our recruiters and interviewers. Individuals performing administrative functions and IT personnel may also have a limited access to your personal data to perform their jobs. We also share your personal data with service providers that may assist us in recruiting talent, administering and evaluating pre-employment screening, and improving our recruiting practices. Our website also offers online chat features that are supported by third-party service providers – when you use these features, your information may be processed by a service provider that is subject to confidentiality obligations which limit the use and disclosure of your personal data. We maintain processes designed to ensure that any processing of personal data by third-party service providers is consistent with this Policy and protects the confidentiality, availability, and integrity of your personal data. We will disclose your

personal data to governmental authorities, or other third parties when required by law. In addition, we may disclose or transfer your personal data in the event of a reorganization, merger, sale, joint venture, assignment, or other transfer or disposition of all or any portion of our business.

The recipients of these disclosures of your personal data may be located in other jurisdictions that might not provide a level of protection equivalent to the laws in your jurisdiction. By submitting personal data to us, you consent to the transfer of such personal data outside your jurisdiction.

ONLINE CHAT

If you have questions about your job application, you can ask our chat bot, Sophia. Sophia can also help facilitate the submission of job applications. Sophia is powered by a vendor that provides services on our behalf. When you use Sophia, we and our vendor collect any information you choose to enter into the chat in order to provide and improve the service.

DATA RETENTION

If you accept an offer of employment by us, any relevant personal data collected during your pre-employment period will become part of your personnel records and will be retained in accordance with law and the terms of your employment. If we do not employ you, we may nevertheless continue to retain and use your personal data for a period of time for system administration purposes, to consider you for potential future roles, and to perform research. Thereafter, we retain a minimum amount of your personal data to record your recruiting activity with us.

SECURITY MEASURES & DATA PROTECTION

We take appropriate technical and organizational security measures to protect personal data from loss, misuse, unauthorized access, disclosure, or alteration. Please keep in mind, however, that there is no such thing as perfect security, and no Internet transmission is ever completely secure or error-free. Moreover, you are responsible for maintaining the confidentiality of any username and password you use, if applicable.
